Dear Sir/Madam,

Apologies for sending out a generic message to all of the council's in the area, but I am interested to know what are your areas priorities when it comes to the services of the police?

I have recently been confirmed in post as your local neighbourhood police officer, don't worry, I'm a police officer, PCSO Wes SMITH hasn't gone anywhere and he will still be on regular patrols.

However, I would be grateful if you could discuss at your next meetings anything that we may be able to assist you with, if I could suggest just one top priority at this stage as this email is going out to over 20 contacts and it would be beneficial to know what is causing the most concern for your locals.

Yours faithfully

Bruce Claridge
