

LEAD COUNCILLORS

29 April 2025

Lead Councillor Information

The Council may appoint lead councillors and specify the functions for which they are responsible.

Lead councillors do not have powers to make financial commitments or take decisions independently of the Council.

Their responsibilities are to:

- Lead focused initiatives related to their nominated area of interest
- Report activities to full Council and present resolutions for approval as required
- Manage actions agreed by the Council, co-ordinating these through the Clerk.
