

Training opportunities

30 April 2025

OVERVIEW

The internal auditor has recommended that councillors should attend regular training offered by OALC.

Councillors need to determine what training is required for council to operate effectively, achieve its aims, objectives and priorities, and ensure it keeps up to date with all new legislation.

Spelsbury Parish Council has a Training and Development Policy which outlines the council's policy, and training and development available to councillors and the Clerk.

OALC TRAINING 2025

• Emergency first aid at work	13/05/25	£185	Benson
